Professional Profile

Junior Full-Stack Web Developer with hands-on experience in **React** and **Django REST Framework**, building responsive, secure, and scalable web applications. Completed the **Code Institute Diploma (Dec 2025)** with five full-stack portfolio projects, covering authentication, REST APIs, CRUD operations, and deployment. Background in **Chemical Engineering** provides strong analytical thinking, problem-solving, and system design skills. Seeking a **Junior / Entry-Level Web Developer position** in Cologne or remote within Germany.

Technical Skills

Frontend: React, HTML5, CSS3, JavaScript (ES6+), Responsive Design

Backend: Python, Django, Django REST Framework, PostgreSQL

Tools & Concepts: Git & GitHub, REST APIs, Agile (Kanban, MoSCoW), Heroku Deployment

Other: AutoCAD, Microsoft Visio, Microsoft Office

Projects (Portfolio Highlights)
